Dear Future Sponsors,

I hope that this letter finds you well. I'm reaching out on behalf of Henderson Gridiron Queens, an up-and-coming youth girl's flag football league. Our mission is dedicated to empowering young women through the sport, teaching confidence, teamwork, and leadership skills, all while growing love for the game and community.

As a community driven organization, we rely on the generosity of local businesses and individuals. This will help cover essential costs such as uniforms and equipment. Your sponsorship would directly contribute to creating opportunity for these young athletes, while also promoting your business to the community.

We offer various sponsorship levels and would love to discuss how we can best recognize your contribution whether through branding on our team, apparel, banners at games, social media, shout-outs, or other promotional opportunities.

Please let us know if you're interested in partnering with us to making a lasting impact on these young athletes. We would be happy to meet with you at your convenience to discuss further details. Thank you for your time and consideration. We truly appreciate your support!
